Why Choose Us?

We curate the best proposals from our network to each request for quotation, resulting in compliant, compelling, and competitive solutions - all through SME Gateway's existing government contract panels. As the Prime Contractor, SME Gateway handles contract administration and subcontractor management. We are backed by Atturra, an ASX-listed company with sound governance, quality, and risk-management processes.

- ✓ 20+ years of trust
- ✓ 400+ Australian SME companies
- ✓ Price-tested every time
- ✓ Solution experts who care

Invite SME Gateway on your next project!
